

## *The Golden State*

Think your colleagues know their stuff? Take them on a blind-tasting of the finest wines from all over California. Choose from Cabernet Sauvignon, Chardonnay, Pinot Noir, or more esoteric varieties like Albarino or Nebbiolo. Watch participants attempt to identify wines by grape variety, vintage, producer and viticultural region. Why not pass on this year's softball game and challenge a rival company to a wine tasting tournament? (No pulled muscles ~ just bruised egos!)
